Dunkinâ€™ Begins Nationwide Delivery Rollout through Grubhub

Launch of Dunkin' Delivers service begins today across the five boroughs of New York City through Seamless, Grubhub's New York brand

CANTON, MA & CHICAGO, IL (June 17, 2019) - More of America will now run on Dunkin' without ever having to leave their home or office. Dunkin' today announced that it is partnering with Grubhub (NYSE:GRUB), the nation's leading online and mobile food-ordering and delivery marketplace, to begin the rollout of its new Dunkin' Delivers service. As the first step in this launch, today more than 400 Dunkin' restaurants throughout New York City's five boroughs will now offer delivery through Seamless, Grubhub's New York brand. Following the initial launch, Dunkin' and Grubhub will look to expand the Dunkin' Delivers service to restaurants throughout other markets in the coming months, including in Boston, Chicago and Philadelphia.

Using Seamless or Grubhub, people who live and work in New York City can enjoy their favorite Dunkin' coffees, espresso drinks, Cold Brew and frozen beverages - as well as donuts, breakfast sandwiches, bagels and more - delivered directly to them, wherever they are throughout the day. New Yorkers looking for a convenient Dunkin' delivery experience can simply open the Seamless or Grubhub mobile app or website, choose their favorites and place their Dunkin' orders to be delivered wherever they choose. To ensure an operationally tight experience, Grubhub has integrated into Dunkin's point-of-sale (POS) systems to ensure speedy, accurate deliveries.

To celebrate the start of Seamless' Dunkin' delivery service, the two brands are serving some big offers for the Big Apple in June:

- Score a sweet ride: Anyone in metro New York who orders Dunkin' through Seamless or Grubhub today through Sunday, June 23 and uses promo code DUNKINBIKE will be entered for the chance to win an exclusive, tricked out Dunkin' bicycle. Designed with Dunkin's iconic pink and orange colors, the brand's first-ever bike was created in honor of the Seamless delivery partners now delivering Dunkin' coffee, donuts and more throughout the city. Second prizes include $20 promo codes that can be used toward Dunkin' purchases through Seamless. No purchase necessary, 18+, U.S. residents of metro New York only. Ends 6/23/19. - Free delivery: Beginning Monday, June 24 and running through Sunday, June 30, Seamless and Grubhub will offer New Yorkers the opportunity to discover Dunkin' delivery with free delivery on their orders.*

â€œKeeping Americans energized with the coffee and food they crave, wherever and whenever they want, is what our guests expect from Dunkin'. By partnering with Grubhub, Dunkin' will be there for more people even when they're staying at home or are busy at work,'' said Stephanie Meltzer-Paul, Vice President of Digital and Loyalty Marketing for Dunkin' U.S. â€œWe've collaborated closely with Grubhub to optimize the service in our initial testing, and we've been encouraged by the strong customer response. We are thrilled to launch Dunkin' Delivers in New York City today and look forward to working with Grubhub to expand the service in additional cities in the months ahead.''

â€œDunkin' is an iconic, beloved brand that has long been a daily ritual for millions of people. The chance to help Dunkin' extend their reach by bringing their signature coffees, donuts and more to Grubhub and Seamless customers marks an exciting moment for both of our companies,'' said Seth Priebatsch, Head of Enterprise at Grubhub. â€œBy deepening our relationship through our direct POS integration, we're able to create the most efficient process, ensuring that both in-store operations run smoothly and that customers get their favorites delivered in the fastest way possible.''
