Dunkinâ€™Â® Kicks Off a Summer of Refreshers with the Pink Spritz, Starring Giggly Squad Podcaster and TV Star Paige DeSorbo

BOSTON (May 29, 2025) – This summer, Dunkin' is serving bold flavor and big energy in its Refreshers line-up, starting with the **Dunkin' Pink Spritz Refresher**. The vibrant drink is a fizzy, fruit-forward blend of guava, orange and passion fruit flavors with a splash of sparkling water—a sparkling, sweet sip that's ready to kick off summer.

To celebrate, Dunkin' teamed up with fashion-forward cultural tastemaker **Paige DeSorbo**—known for her hit podcast *Giggly Squad*, Bravo's *Summer House* and effortlessly scroll-stopping style. In the new spot, Paige starts the day where her fans know she's happiest: in bed with her cat, Daphne, nearby. But one sip of Pink Spritz turns her lounging morning into a ready-to-run-the-world moment.

"One Pink Spritz, and now we're booked and busy," Paige jokes in the spot. She adds, "Anyone who follows me knows I'm usually horizontal until noon, but somehow this drink has me fully styled and running errands. It's giving motivation."

The $3 Refresher Summer Continues

Available nationwide for a limited time, the Pink Spritz joins a colorful crew of Refreshers, including fan favorites Strawberry Dragonfruit, Mango Pineapple and Tropical Guava. Guests can try Pink Spritz or other varieties of Refreshers **all-day for $3 for a medium***—no catch, just delicious sips at unbeatable value.

With customizable bases like Green Tea, Lemonade, Sparkling Water, Water, Black Tea or Oatmilk, guests have more ways than ever to make their Refresher their own. And the Pink Spritz is just the beginning, with Dunkin' revealing more flavor drops and culture-forward collabs this summer.

Flavors Made for Summer Cravings

Dunkin' is adding a sweet new treat to the mix: the **Orange N' Vanilla Specialty Donut**. A taste of summer nostalgia, the glazed cake donut is topped with a smooth vanilla flavored icing drizzle and available for a limited time. It joins other seasonal menu items announced earlier this month, like the **Iced Strawberry Lemon Loaf** and **Pistachio Signature Latte**, giving guests even more ways to pair their perfect summer pick-me-up.
