Sweet Treats That Share the Love

Valentine's Day wouldn't be complete without something sweet. Dunkin' is bringing back its beloved seasonal heart-shaped donuts, including the **Brownie Batter Classic Donut**, filled with chocolatey, brownie-batter-flavored buttercreme and finished with chocolate icing and sprinkles, and the **Cupid's Choice Classic Donut**, filled with Bavarian Kreme, topped with strawberry flavored icing and festive sprinkles.

Throughout the Valentine's Day season, all filled donuts – including **Boston Kreme** and **Jelly** – will be made with heart-shaped shells, while sprinkled donuts and **Valentine's Day Sprinkle MUNCHKINS®** will feature festive pink, red and white sprinkles.

"Brownie Batter is the kind of donut our guests mark their calendar for – rich, chocolate-forward and undeniably Dunkin'," said Anthony Epter, vice president of menu innovation at Dunkin'. "For Valentine's Day, we built the rest of the lineup to match that same feel-good indulgence, from bold espresso sips to fruit-forward Refreshers, plus protein milk-based options that still feel like a treat."
