A Brighter Way to Sip

At the forefront is **Black Cherry**, the latest addition to Dunkin' Refreshers. Sweet, tart and juicy, it delivers a pop of flavor that fits right at home this time of year, whether enjoyed on its own or layered into additional builds. Highlights include:

Dunkin's new **Limeade** adds a zesty, citrus-flavored base to any Dunkin' Refresher, opening up another way to customize. It can be enjoyed on its own or mixed into limited-time drinks, like **Raspberry Limeade**, **Coconut Limeade**, **Matcha Limeade** and **Strawberry Dragonfruit Limeade Refresher**.

"Summer is when customers get more playful with what they drink - they may want to try something new, mix things up, maybe even surprise themselves," said Anthony Epter, vice president of menu innovation at Dunkin'. "That's the thinking behind this menu, from our take on Dunkin' Dirty Soda to new flavors like Black Cherry that can be customized however they want it. We wanted to give guests more reasons to discover something new every time they come to Dunkin'."

A Very Dunkin' Take on Dirty Soda

Dirty Soda has carved out its place in drink culture. Now, Dunkin' is bringing its own version into the mix.
